Nah, he's talking after AOC investigation. Wants a 110 percent bond...

Whatever....

There is no word at this time. As far as the site work, the AOC is for the investigation and any response actions would be a result of the findings of the Remedial Investigation and Feasibility Study.

If Congressman Zinke is talking about the building Demolition the State has an AOC and is the oversight agency.

Any word on CFAC Superfund recommendation? Zinke at his last visit reiterated he wanted the state to oversee cleanup.
